E

On behalf of the Graesser Bros. families, we would like to invite you to our 15th Annual Bull Sale. Looking back at past catalogs, many things have changed in these past 15 years. Our herd has since grown, as well as the quality of cattle. Each year we look to improve on the initial cow herd first established by Kevin and Rod. Those great initial genetics we've built upon can be seen throughout the catalog, as well as newer, breed leading genetics.

The beef industry, once again, is keeping things exciting with new market highs. The moisture this past spring and summer sure was a blessing, leading to a good hay crop and some decent extended grazing time. The bulls weaned off a little lighter with washier grass but have bloomed over the past few months. We believe by adding longevity through cattle fertility, structural soundness, and genetic selection all play major roles in keeping our customers thoroughly satisfied. Our objective is to keep my dad's mission alive and produce cattle he would be proud of. He believed the commercial cattleman came first and it is our job to help in their success.

If you have any further questions, or would like to view the bulls, you are more than welcome to visit the ranch any time before sale day. We always encourage buyers to see the bulls firsthand and in their own environment.

We greatly appreciate all the continued support from everyone and look forward to seeing you all on Monday, February 19th, at the Winner Livestock Auction. Sale time is set for 1:00 PM. Come early, see the bulls, and have a meal with us!

The Graessers

Join us for our 15th Annual Production Sale

Monday,

February 19, 2024

Winner Livestock Auction,

Winner, SD

Sale at 1:00 PM CST

Sale Location:

Winner Livestock Auction 605-842-0451
31690 Livestock Barn Road, Winner, SD 57580

Auctioneer: Cody Moore 605-222-1453

Sale Consultant: Joseph Kvigne (605) 670-1785

Livestock Representatives:

Don Ravellette, Cattlemen's Invite 605-685-5147
Curt Westland, Tri-State Livestock News 605-210-3329
Tate Williams, Independent 605-999-0018
Jack Sieban, Nutritionist 605-660-9975

Lodging Reservations:

Holiday Inn Express, Winner, SD (605) 842-2255

Herd Health:

We have an aggressive herd health program by Gregory Animal Clinic. Dr. Swift will fertility test the sale bulls in this year's sale, and will be available sale day to answer any questions.

Brand Inspection Documents:

All bulls will be accompanied by proper brand inspection papers at time of shipment. A brand inspector will be available sale day.

Volume Discount:

Will be offered starting at three bulls - 3%; and increasing 1% for each additional bull up to 10 bulls - 10% maximum discount.

Sight Unseen Policy:

Graesser Bros. will guarantee complete satisfaction on any lots purchased on order.

Trucking/Delivery:

Bulls will be delivered free of charge in South Dakota and bordering states. If you take your bulls home on sale day, you will receive \$100 off each bull purchased.

Supplement Sheet:

Updated EPDs will be available through American Angus Association. Scrotal sizes available sale day.

Inspection of the Cattle:

Bulls will be available for viewing prior to the sale at the Graesser Ranch. On sale day, the bulls will be at the Winner Livestock Auction.

Lot Numbers:

Lot numbers on the sale cattle correspond with the numbers in the catalog.

Liabilities:

All persons attending this sale do so at their own risk. The owners and agents assume no liability, legal or otherwise, for any accidents which may occur.

Terms:

Cattle will sell under the Standard Terms & Conditions as recommended by the American Angus Association.

Food and Refreshments:

A complimentary lunch will be provided, starting at 11:00 a.m. CT.

Insurance:

Martin-Trudeau Insurance will be available sale day.

Guarantee:

All bulls selling for \$3,000 or more are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of bulls. If a replacement bull is available, he will be provided, or if the buyer prefers, credit toward one bull will be given in the following year's sale, less salvage value of the injured bull. Please notify us as soon as possible should injury occur and prior to the injured bull being sold for salvage.

Bull Videos:

Videos of the bulls will be online at www.GraesserBros.com

**Videos and sale will be available
on DVAuctions.com**

- +11 CED with EPDs that are in the top 1% of the breed for WW & \$W and top 5% for YW, HP, & \$M with a top 10% for Docility.
- He is backed by the respected Treasure cow family and in particular traces to C50P who has had influence in both the Angus and Simmental breeds. He ratioed 113 at weaning from a nice 1st calf heifer that bred back first service. This is a complete individual; sound structured, with real muscle, complimented by an elite EPD profile along an outcross pedigree. ADG of 4.88!

• +12 CED that weaned with a 102 ratio. 15.4 HP EPD to along with a tremendous amount of vigor at birth. This bull can produce live calves in multiple ways as a sire and through his daughters.

Mogul is the best herd bull to ever roam our pastures with feet that are as good as you can make. Please take notice in the picture and realize as a 5 year old bull, his feet have never been touched. He is easy keeping, easy to be around, and as consistent of a sire as we have ever used naturally or AI. His first daughters are perfect sized, nice uddered, and productive. We run multiple sire pastures. Mogul sired 48 calves as a 3 year old which is represented by 20 bulls in this sale. The industry has begun to identify the value Mogul brings as a breeding bull as evidenced by Brookdale Angus selling a son that was purchased from Graesser Bros for \$17,500 after using him in natural service for two years. Mogul will run our pastures and service cows as long as he wants to. His type and quality of cattle have always had value and always will provide value to their owners.

• +15 CED with EPDs that rank in the top 3% for CED, BW, \$W - top 15% Claw, Milk, \$M - top 20% Docility. This bull is a mirror image of his sire that started with a 70 lb birth weight and grew to a 112-weaning ratio. His Rachel grandam was a stellar producer. He is a bull that will have a positive impact on a cow herd for decades.

• This Pleasant View son has a great walk with extra length. He is a long necked, clean made bull sired by the top selling 2-year-old bull at the Raven Angus 2020 sale. Strong maternal genetics here. The dam stems from the Spear U Angus great producing cow family, Sunset 9110. Good foot structure and nice relaxed walk makes this bull one to look at sale day.
